## MyConnect 250

Audiophile All-in-One

The MyConnect range of products at Advance Paris are made for the music passionate who doesn't want to fill his living room with electronics.

There is a lot to be said about the MyConnect 250 connectivity... From HDMI to Phono (MM/MC), analog RCA to AES-EBU, USB for computer to multiple optical and coaxial inputs, 3 speakers zones, network (Wi-Fi / Ethernet) and Bluetooth (optional with X-FTB01 / X-FTB02). Of course it cannot be a MyConnect product if it don't have a CD player and FM/DAB tuner included.

Using the Advance PlayStream app (available for iOS and Android devices), you can stream Qobuz, Tidal, Deezer, Vtuner for the Internet radio. Since MyConnect 250 is compatible with Spotify Connect, you can stream music directly from the Spotify app.

Once all this music is inside the MyConnect 250, it gets well treated by the tube preamp right before entering the amplification stages.

Great power and sound quality starts with good power supply. The MyConnect 250 will control any loudspeaker because of its 2 **toroidal transformers** located on each side of the product making it a Dual-Mono amplifier, the best amplifier typology. With **180 W per channel** in A/B Class feel free to choose any speakers, from bookshelf speakers to big towers.

Even outputs are well treated with Pre-OUT in balanced (XLR) and unbalanced (RCA) connectors. And feel free to connect 2 subwoofers if you want to with its twin subwoofer outputs.

The latest addition to the MyConnect range is a stunning performer !

### SPECIFICATIONS

Power Output 8 $\Omega$	<b>2 X 190 W RMS</b>
Power Output 4 $\Omega$	<b>2 X 280 W RMS</b>
Frequency response	<b>10 Hz – 50 kHz</b>
Distorsion	<b>Inf. to 0,007%</b>
Signal to noise ratio	<b>103 dB</b>
Channel separation	<b>75 dB</b>
AC input	<b>115V / 230V</b>
Standby Consumption	<b>Inf. to 0,5 W</b>
Maximum consumption	<b>600 W</b>
Transformer power	<b>(2x) 300 VA</b>
Transformer type	<b>(2x) Toroidal</b>
Analog Inputs	<b>(2x) XLR – (5x) RCA</b> <b>(1x) Amp-IN RCA</b>
Digital Inputs	<b>(3x) Optical – (3x) Coaxial – (1x) AES/EBU</b> <b>HDMI Audio – HDMI ARC – USB Type B</b> <b>Bluetooth (optional with X-FTB01 or 02)</b> <b>Ethernet (RJ45) – Wi-Fi</b> <b>FM / DAB</b>
Analog Outputs	<b>XLR – RCA PRE-out/ RCA REC-Out</b> <b>SUB-Out (2x) RCA</b>
High-Bias	<b>Yes (ON / OFF)</b>
Speaker binding post	<b>(A-B-C) Banana / Spade / bare cable</b>
Remote control	<b>Yes (IR)</b>
Trigger	<b>(2x) OUT – 12V – Mini-jack Mono</b>
Product size (LxHxP in cm)	<b>43x19,5x45,5</b>
Packaging size (LxHxP in cm)	<b>53x28x52</b>
Gross weight (kg) / Net weight (kg)	<b>20,6 / 18,6</b>
Model N°	<b>MyConnect 250</b>
EAN code	<b>3760179292374</b>
